

Godalming College Post Results Service

There are a number of options available if you have a concern about a result. For priority cases, we would recommend heading into College to talk to one of our Post Results Team on Thursday 15th August 2024 from 8.15am. Students who have missed out on their place at University for a 2024 start will be given priority access to our advisors.

Godalming College Post Results Service

Below is a list of the post results services fees for your information.
